

Diana Lopez

Architect

Education:

University of Maryland
BS, Architecture

Diana Lopez is a junior architect in NIKA's Architecture and Engineering practice, where she specializes in building information modeling (BIM), CAD drafting, site surveying and design renderings. Her diverse technical skills also include mechanical and plumbing construction documentation. Her clients include educational institutions and government agencies, such as the Naval Facilities Engineering Command (NAVFAC), Air Force Medical Support Agency (AFMSA) and the State Department's Bureau of Overseas Buildings Operations (OBO). An adept architect, Diana is known for her adaptability and reliability in collaborating with the architecture team and other disciplines to complete project deliverables efficiently. Diana earned her bachelor's degree in architecture from the University of Maryland and is enrolled with the National Council of Architecture Registration Boards (NCARB).
